

**CoinBrag's Headquarters are being relocated!**

Nicholas, Monday 04 July 2011 - 09:14:09

This is just a quick note to say that I will likely be silent for the next few days while I am moving everything.

There's still the [June contests](#) going on and I'll do my best to announce the winners over the weekend.

Edit: I have saved the data for the June numbers but it will take me a few more days to announce anything as I am having some internet problems at our new location. All should be fixed in a few days.
